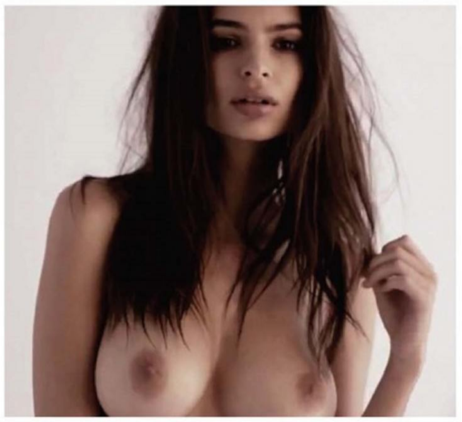
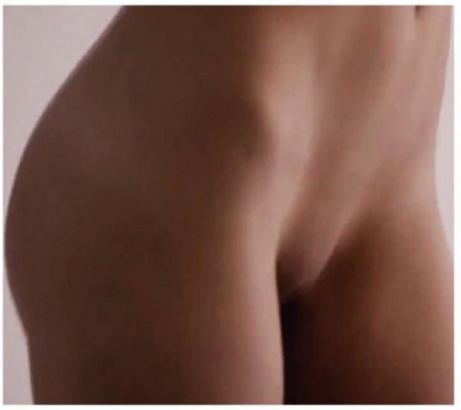
Celeb News AND GOSSIP

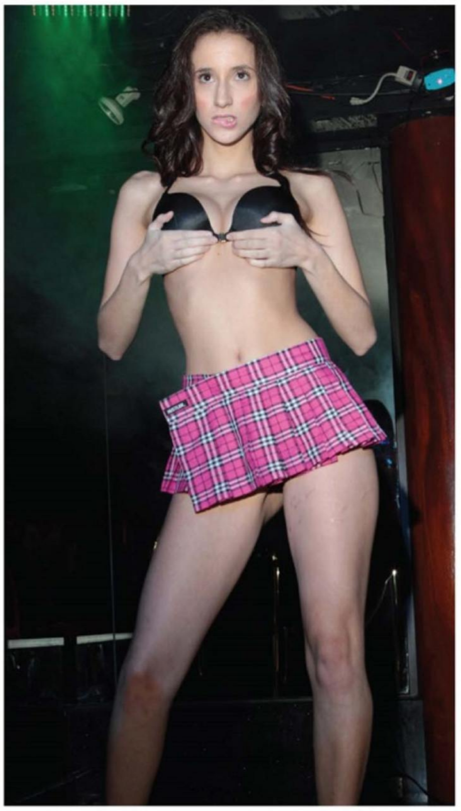
GET YOUR RATAJKOWSKI OUT!

Whether you love or hate the song, Robin Thicke's *Blurred Lines* definitely had a video that was endlessly rewatchable. Especially in the uncensored version they didn't show on TV. Fit girls dancing with their magic boobs out? Yup. The star of the show was undoubtedly Emily Ratajkowski. The 23-year-old model, born in Westminster, has a face, body and boobs that can only be described as stunning. And she's not shy with it either, getting nude in these pics for *Treats! Magazine*. With news that she's been cast in the film adaptation of book sensation *Gone Girl*, we could be seeing a lot more of Emily. No complaints here!

She has the world's biggest Rubik's cube!







Ask not for whom the Belle tolls...

OPPORTUNITY KNOX!

The 'news' that some students turn to porn to pay their tuition fees in America is hardly news to us. The porn world is full of 18 and 19-year-olds who've used their bodies to fund an expensive education. It's only with the sensation surrounding Belle Knox – a student at Duke University who came out as a porn star after being 'slut-shamed' by some dickhead students who recognised her – that the rest of the world seems to have noticed. Knox, star of only a handful of scenes in the likes of *Amateur Introductions 9* and *Naughty Cheerleaders 4*, received some shameful vitriol and hate mail from the dumb males who populate her campus, so has come out as porn and proud. We'll do our bit by cranking one off to her scene in *Teens Love Huge Cocks*...

FUCK TRUCK!

When San Francisco-based artist Spy Emerson created the 'Hook-Up Truck', she intended it as a, "Participatory performance art project with an intrinsic statement regarding the commodification of, attitudes toward, and media representation of sex." Which is funny, as we just think of it as a fuck truck. The Hook-Up Truck is a portable hotel room, secure, temperature controlled and with complimentary birth control on tap. It also has a camera ready option if you want to film your frolics. So, yeah, art statement, but also the perfect place to knock some boots if you live with your parents or in a shared house with little privacy. You only get it for 30 minutes, but to be honest 30 seconds is long enough for us…

The child catcher has returned!

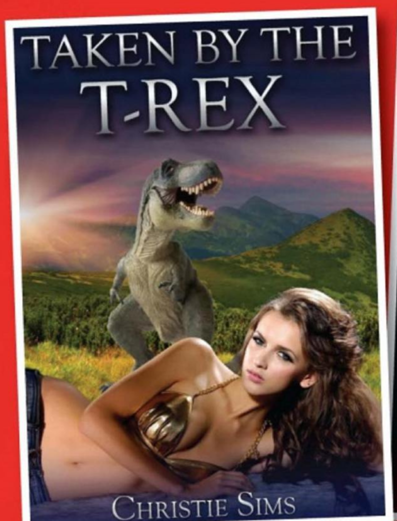
THE ROYAL FAMILY!

Wes Anderson's *The Royal Tenenbaums* is one of our favourite films – unique, warm and funny, it also has Gwyneth Paltrow lezzing off in a bikini. What's not to like? Trendy porn website *Woodrocket* are obviously fans as well, getting porn stars Stoya and James Deen to dress up as all the main characters for a photoshoot that's a bit more NSFW than the film itself. While we actually find Gwyneth more sexy than Stoya, we've never seen the former get bummed and eat jizz on film, so we can see the appeal. They've called their shoot Royal Tenendongs. What's next? Tushmore?

Turning Fact into Fiction

A recent survey by American website The Fussy Librarian asked 103 erotic authors about their sex lives and it turns out that they're taking their literary research to a new level. Comparing the answers from erotic author's to the American national averages, the survey reveals that they're willing to get just as down and dirty as their characters, so it's possible that what you're reading are first hand accounts. The results show:

1) 21% have had a threesome, compared to the 14% national average.
2) 41% have indulged in BDSM activities, while according to the Kinsey Institute less than 20% try kinky stuff.
3) 84% indulged in outdoor sex, but an ABC news poll revealed only 54% had sex al fresco.
4) Some of the most unusual places erotic authors have had sex include a "church basement", "on a horse" and "on a stack of drywall in a home under construction".
5) Only 9% of American women have had more than 11 partners, compared to 28% of erotic writers.



League Tables
TOP TEN

Top 10 Sexy Female Villains

Have you seen how bad ass Angelina Jolie looks in her latest movie role *Maleficent*? The skin-tight costume, rouged lips and piercing eyes: she makes bad look pretty damn good. Taking her as our inspiration we put together a league table of some of our other favourite female film villains who's bad books we wouldn't mind being in...

1) The Deadly Viper Assassination Squad (*Kill Bill*) – We'd be happy to let all of them show us their best moves (without a sword, or deadly implement), except for Budd.
2) T-X (*Terminator 3*) – She turns up naked, looks awesome in red leather and can increase her bust size just by thinking about it.
3) Regina George (*Mean Girls*) – Seen by many as the high school villain, Regina is a total bitch, but the cute outfits and that whole slutty Santa thing...yeah.
4) Vesper Lynd (*Casino Royale*) – Ok, so Vesper isn't a total villain, but the way she chews up and spits out Bond's heart is pretty ruthless, so earns her a place.
5) Catherine Tramell (*Basic Instinct*) – We could sit and watch her cross and uncross her legs all day and possibly forgive the murdering.

Winter
IS COMING!

By the time you read this, Season 4 of HBO's peerless *Game Of Thrones* will be over, and there'll probably be a bunch more tits, bum, fanny and cock to catch you up on. As ever, British porn stars are high on the cast list, with Sam Bentley and, in this scene, Josephine Gillan AKA Sophie O' Brien, showing her ginger wares as a whore. We can only assume the casting director spends a lot of time watching British scud. In which case they might want to run a whole sub-plot about Adult Sport in season 5. No?

Game of Thrones

Mikayla

Mikayla Mendez is one of the topper-most US porn stars – so what's she doing in Blighty?

"I've got a British boyfriend," she tells us. "I love the accent, I love the pubs and I love the fact that the 'blokes' in England are so dirty. They'll try anything once, and I'm a girl who'll try anything twice!"

Miranda

Miranda, we're happy to report, is nothing like her TV namesake. She's funny, for starters, and doesn't look like Elmo from *Brush Strokes*. What's more, if you say something to her like, well, would you like to stroke your clit for us and finger yourself, she'll just smile, nod and set to it. And she won't stop until she's done...

STOYA STORY!

FACT BOX

Born:	15th June, 1986, Wilmington, N. Carolina, US
Vital Stats:	34B-25-34
Height:	5'7" (170cm)
Hair:	Brown
Eyes:	Green
Piercings:	Both nipples

- Stoya loves to make latex clothes, read good books and play with her cats. Meow.
- Stoya graduated high school 3 years early, apparently *"eager for the freedom to pursue the next phase of life."* Jeez, brainbox.
- Stoya suffered an unusual injury while shooting Digital Playground's Cheerleaders. *"It was a nine-girl orgy. I sprained my tongue. I woke up the next day and was like, 'I can't talk! This is really upsetting!'"*
- Stoya's favourite food is barbeque ribs.

The first alt.porn girl on the block, Stoya is about to retire from porn and get into directing. *Adult Sport* caught her while she was hot…

What were you like sexually, before dipping your toe into porn?
Stoya: Well, uninhibited. I started young. Before I had turned seventeen I had already experimented a lot with girls and boys and sex toys and bondage and anal sex. Sometimes I think I'm a full-blown lesbian, but then I fall in love with some bloke and all I want is cock from morning until night. So I don't even have any preferences. I fuck everything.

What made you decide to get into porn?
Stoya: I have this sort of wanderlust thing, and ended up moving from Wilmington to Philadelphia and on to California. I was basically just living out of this giant suitcase for a few years, but during this time I already had a following thanks to the naughty blogs I do on-line, and of course I did lots of bondage stuff and niche fetish videos for different photographers in real life. Porn was really just a natural transition.

What types of sex scenes do you like to perform in?
Stoya: I do everything, so it's not about what type of scene but rather if it's something new. My biggest turn-on is doing stuff I have never tried before. I did a nine-girl-gangbang and that was pretty fucking rad. I had never done that before. The best scenario for me is finding out what I'm booked for not sooner than on my way to work. That way I can get myself all worked up and excited during the commute. And I'll be dripping wet by the time I walk in to make-up.

What are you into in your personal sex life now you do hardcore?
Stoya: Oh, I'm crazy. I love everybody, men and women. I'm endlessly fascinated by rubber and latex. I make my own sleazy, sexy latex outfits. Before I started doing hardcore, I always needed new stuff to shoot in, and why go out and buy something that isn't quite right when I can get fabric and make it exactly how I want? But it's not the kind of hobby you want to tell your parents about, ha ha!

What's the best thing about being a porn star?
Stoya: The coolest thing is that I get to meet all my favourites from when I used to watch porn as a teenager. Now I can fuck all my heroes, because it's very easy to approach anybody in porn and just tell them you wanna nail them down for some extra-curricular fun.

Are you really that direct?
Stoya: Yes, some say I pick up dudes like dudes try to pick up chicks. When I get a one shot opportunity to bang someone I'm attracted to, I do not fuck around.

I have this seriously masculine side to me. If you want to choke on someone's cock you have to walk straight on over and introduce yourself!

You mentioned you like to watch porn. What type of grot do you prefer as a viewer?
Stoya: I like futuristic sci-fi themes; porn with a story and fantastic out-of-this world costumes. Of course, it's not often made because such features are very expensive to create. But there are a few great ones with aliens and space bots. Cool stuff.

Do you have a boyfriend right now?
Stoya: Absolutely not! It would be crazy to get a boyfriend while I have this job. Now I'm free to seduce any porn guy or girl I want. I wouldn't want a boyfriend to interfere with my work or require me to be monogamous.

Do you like to travel?
Stoya: I love to travel and in fact I have many family members in Europe. So you can expect to meet me at the porn conventions all over Europe this year.

Relatives in Europe? Your heritage isn't very obvious…?
Stoya: I'm a funny mix of Serbian, Scottish and Puerto Rican. My stage name is actually just a shortened version of my very long Serbian surname.

I hear people compare you to Sasha Grey all the time. Can you see it?
Stoya: Yes, I can see the similarities. It's very flattering because I find her unbelievably fucking hot. And both me and Sasha have no tits and this very pale complexion. I'm paper coloured. It's kind of amazing. There are not many girls like us in porn.

World[illegible]s.net

Pale but interesting, as the saying goes…
Stoya: I am very pale. I am okay with it, but I can't help it. It's not like I want to be really pale, I just am. And I don't like getting sunburned because it hurts. I have this parasol, basically a big frilly black umbrella that has a UV coating, that helps protect me from the sun and I carry it with me everywhere. You wouldn't believe the stares I get in Los Angeles. People will literally slow down and look.

What have you learned about sex from your adult career?
Stoya: That sex is best when it's unrehearsed and unprepared. I love fucking on film, but nothing beats the natural sensation of two horny people ravaging each other like hungry dogs.

Who else would you like to work with?
Stoya: I have a list. It gets bigger every week. Roxy DeVille, Marie Luv, Rico Strong, Mika Tan, Nautica Thorn, Kimberly Kane, Janine, Dana DeArmond, Charlotte Valentine (she's Australian) Justine Joli, James Deen, Sinnamon Love, Cassidey (she's under contract to SRNinnworx, so that may never happen), Adrianna Lynn, Princess Donna, Charlotte Stokely. I could go on like this all day, actually, so I'm going to go and masturbate now…

Keep up with Stoya at **twitter.com/stoya,** and **www.stoyaxxx.com.**

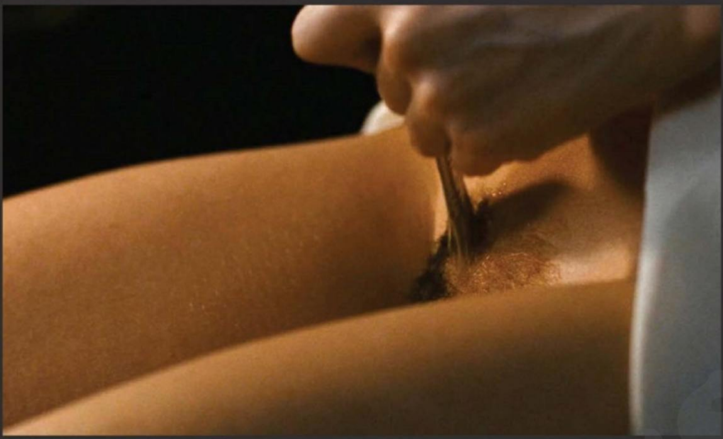
Carice
VAN HOUTEN

We make no apology for the amount of *Game Of Thrones* content in *Adult Sport*. After all, it's the rudest show on TV. But we've loved Carice Van Houten since she gave us a look at her parts in 2006's *Black Book*. And as Melisandre in *GoT*, you're guaranteed a glimpse!



FAKING it!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

DYKE-U-LIKE!

Okay, I'm gonna assume from the start that you guys have heard of me? I mean, if you're reading *Adult Sport* and you haven't jerked one out over pictures of me by now then I've gotta admit I'm pretty offended. And I guess I hope that you rectify the situation right away while you look at my pictures and hear about what happened on this photo-shoot.

A girl like me is pretty hard to shock, as you're probably imagining. It doesn't take long in this business before you think you've seen everything. I'm not saying I'm a super-slut or anything, but you have to have a certain relaxed moral code to get by. And something took me off guard when I was working on this particular day, and I surprised myself about what lengths I'd go to for sme sexy kicks.

The shoot had just wrapped. I knew it would be a good one, and if you're looking at the pictures now I'm sure you'll agree with me. I was getting changed back into my regular clothes when the make-up girl, I'll call her Kelly, told me that there was a party in town later that night and I could go along with her if I was at a loose end. I've been to plenty of porn parties over the years – some of 'em turn into orgies, some of 'em are no more outrageous than your average birthday party – so I wasn't all that bothered, but she said it was in a trendy new underground club, and that it wasn't a porn thing. It was a lesbian thing.

Now, I know I'm popular with girls who like girls, and I've done enough lesbian shoots in my time to have a taste for pussy, but I've never really done anything on the scene. Only ever had boyfriends in my private life and not really hung out in too many gay clubs. It suddenly clicked into place why Kelly was watching me so intently throughout the shoot – I was giving the poor girl a very wet pussy and I had no idea! She was cute too – short brown hair cut into a bob, pale perfect skin, big eyes, really pretty. So I decided then and there that I would accompany this shy little make-up artist on a "date" to her cool underground dyke bar, and I'd see where the evening took me.

So, that night I got a cab to the address she told me about and we met in a bar near the venue. It was invite-only, and our names were on a list, so we grabbed a few cocktails, got to know each other a little bit, and then hurried to the club, excited to know what it would be like. It was a dark, dingy entrance down a metal stairwell, no sign to say what it was, and I have to admit I felt a little nervous going inside. I could hear thumping techno music and see flashing lights down the long corridor where we checked our coats, and grabbed hold of Kelly's hand as we entered.

Well, what can I say – this place was classy! All done up with crazy antique furniture and paintings, velvet and neon everywhere, nooks and crannies, hidey-holes, private booths, all low lit and twinkly – it was like a club from a hundred years in the future trying to recreate a hundred years from the past. I can't describe it fully, but it was like nowhere I'd ever been and it felt VERY exclusive. And no, I'm not allowed to tell you where it is.

So anyway, there are beautiful women everywhere. All the customers were glamorous and gorgeous, but they didn't turn your head as much as the staff – all of them looked like supermodels and all of them were wearing next to nothing. In fact, a couple of

Shyla

the girls behind the bar were nude all night, and they had Amazonian figures that'd make you drool. The whole place was sex on a stick and I was starting to feel over-dressed in my skirt and blouse. I unbuttoned my top and pulled my skirt up to my stocking-tops, wanting to join in the flesh-baring fun.

Kelly and I got a booth together and were served by a variety of stunning waitresses, all of which would come over and stroke your thighs and your hair while they took your orders. My panties were flooded and I soon learnt that Kelly's were too, as she grabbed my hand and forced it beneath her tight black skirt. My fingers found her pussy through the flimsy material of her panties, and she felt so hot and moist. She gasped as I fingered her in this club, both of us looking out across the floor to watch the patrons and staff.

Girls everywhere were kissing, fingering, even licking each other out. I was inspired by what I was seeing, and before long I'd leant back on the table in our booth, opened my legs wide and let Kelly put her mouth on my cunt for a long, slow suck. It was exquisite, there I was in an exclusive lesbian bar having my pussy licked by a cute girl I'd met only hours earlier, while some of the most beautiful lesbians in the city started gathering around us and watching. Within a matter of minutes, Kelly and I were the hub of attention in the room – all the staff were crowded round and most of the clientele too.

Many of them were masturbating as they watched us, and every now and then one would come close and stroke my boobs (I'd fully unbuttoned by this point and my bra was pulled down) or kiss me even. One girl (who looked like Katy Perry but I'm assuming wasn't) put a finger inside her pussy and then rubbed the juice on my lips, which I greedily licked back to taste her salty flavour.

Lots of the girls starting moaning and I could sense that they were bringing themselves off, and I wasn't far behind. Kelly's tongue had found a perfect rhythm and I bucked my hips in time with her and started to feel the rush of an orgasm rip through me. Hands were all over my body as it shook me, girls trying to squeeze and fondle every inch of me. Kelly got a faceful of my hot cum, and looked like she was loving it.

And as my pleasure subsided, the assembled lesbians went back to their drinks and serving of drinks, leaving myself and Kelly to rearrange positions and for me to return the favour to my new pal.

This was more intimate, as Kelly wasn't the show-off I am, so I just got on my knees and ate out her pussy with the table blocking us from the view of the bar. She didn't take long to orgasm, so I gave her three, and it was lovely to see that cute little face light up with lust.

So yeah, whenever I'm in town now I call up Kelly and we book our favourite table at the club. We're always very welcome there, and it shocked me to learn that I had a lesbian side to my personality. It just took a very cute girl and a club full of hot dykes for me to find it!

Elizabeth BANKS

Elizabeth Banks has to be one of the hottest 40-year-olds in the world but, damn, she's stingy with the skin. A few bikini scenes and a possible nip-slip aside, we've had to wait until 2013 for anything decent – a sighting of her lovely buttocks in *The Details*. Come on, Banks, gives us something for the Wank Bank.

Legends of PORN Poppy Coles

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

To say that information on Poppy Coles is scant is like saying that England can't take penalties. It's an understatement. It's strange, really. Other models of lesser stature and charms have endless fan sites dedicated to tedious minutiae. The gorgeous, all natural and utterly charming Poppy? Nada. Our finest gumshoes could only turn up the fact that she was from Norwich and her real name was Louise. But for a few years in the 90's, she was one of the most popular British glamour models on the circuit. Often shot by Kevin Maklin, she graced *Club*, *MensWorld*, *Mayfair* and other lesser titles, and stayed clear of both lesbian and boy/girl action. Hence hers is a small but celebrated career, and the air of mystery about this girl only adds to her legend!

Gorgeous Elle is Australian, and we managed to annoy her very quickly by making jokes about *Neighbours*, Ramsay Street, Lasseter's and Toadfish. Jessica LANGE

Sometime you have to celebrate the true greats. Jessica Lange is a fine thespian who, it should be noted, has been stripping off for pretty much most of her career. Whether giving us a King Dong in *King Kong* (1976) or showing tits in *Titus* (2000) she's put in a fair shift at the T 'n' A factory. Best of all? 1982's *Frances*. Lange Flange at its finest!

The Beautiful Game

BEST OF BRITISH

There's something more to cheer about than football this summer

by Rose Crompton

The smell of national pride is in the air thanks to a certain sporting event happening over in Brazil (and assuming England are still in the World Cup by the time this goes to press), so we thought we'd jump on that spirited bandwagon and celebrate another great and good institution: the British adult industry. Partly because voting is open for the Paul Raymond 2014 awards, which is a landmark event in the UK and sees some of the hottest models battle it out for cover girl of the year, but also partly because not everyone is into football, so might want something else to cheer on this summer. We've rounded up the best of British sex, which deserves a real cheer!

Hot Porn Stars

A foreign, male porn stud that has shagged women from all over the world, once told me that the UK produces the sexiest, hottest, filthiest porn star girls ever. He wasn't wrong. All you have to do is look at the line up of current UK totty that's making it into the big R18s, like Samantha Bentley, Lexi Lowe, Angel Long and Daisy Rock (to name just a few). With beauties like these, it's a wonder that we have enough blood in our bodies to make anything other than our cocks function properly.

Soho

Apart from the Red Light District in Amsterdam, there's a pretty strong argument that London's Soho is the sex capital of Europe. Its relationship with the sex industry and adult pleasures is a long one. Once home to Paul Raymond and his infamous Revuebar, The Windmill Club, sex shops and brothels, it more than earned it's debauched reputation as being the place to go for pleasures of the flesh.

These days it's a lot less seedy, but still oozes sex, which is why it continues to attract tourists from around the globe. Neon signs advertise 'models' and 'peep shows'; cabaret clubs such as The Box and Madam Jojo's and strip joints continue to provide titillation for a mainstream audience and it's still the place to go for those wanting to step into a sex shop rather than buy online with Simply Pleasures, Harmony and even Agent Provocateur moving into the area.

Free Contraception

Thank the fucking lord for the NHS and Family Planning Association, because in this country we're lucky enough to get as many free condoms as we like. Some centres even give out free lubricants too.

Filly Films
www.fillyfilms.com

Toys Are Us

Should anyone still think that Brits are prudish, then all they need to do is take a look at the adult sex toy market and see the number of UK companies and manufacturers that sell or make high-quality sex toys to clearly see that we're far from it. Besides being home to one of the world's biggest online sex aid retailers – Lovehoney, who are based in Bath – we boast some pretty fucking top notch sex toy designer companies as well. Perhaps this is one sector the business and engineering MPs should be looking to for economic growth and investment (maybe).

The newest kids on the block are Doxy, a Devon based company that make the world's most powerful wand massager, and the Pulse 'guybrator' by Hot Octopuss, which is getting fuss and attention from media around the globe. There's also Nottingham-based Rocks Off Ltd, manufacturers of the award winning Ammunition For Love RO-80mm bullet vibe and Je Joue: creators of inoffensive looking silicone, vibrators. Their Mimi pebble clit vibe was recently voted best sex toy by the reader's of *Good Housekeeping* – who'd have thought it.

Sex Clubs

If there was a league table of which country had the most diverse and interesting number of sex clubs, then Britain would definitely come top two, beaten only maybe by ze Germans (like that's a new sporting story). There's no disputing their love of kink and leather. However, we more than hold our own with the likes of Torture Garden, which attracts fetish fiends from around the globe and Killing Kittens swingers club, which was set up by friend of the Duchess of Cambridge, Emma Sayles making it possibly the poshest sex club ever. Far from being the prudes our stiff-upper lip stereotype makes us out to be, if you look hard enough you'll be able to find a sex event to meet whatever (legal) fantasy you have.

DOXY
Hot Octopuss

Lela

You might not think, at first glance, that a lady like Lela would bend over and take a massive cock up her bum while people filmed it, would you? But that's exactly what she's done in the past. This is exactly why we love women like Lela: Beautiful, seductive, inspiring, surprising and, most of all, mucky...

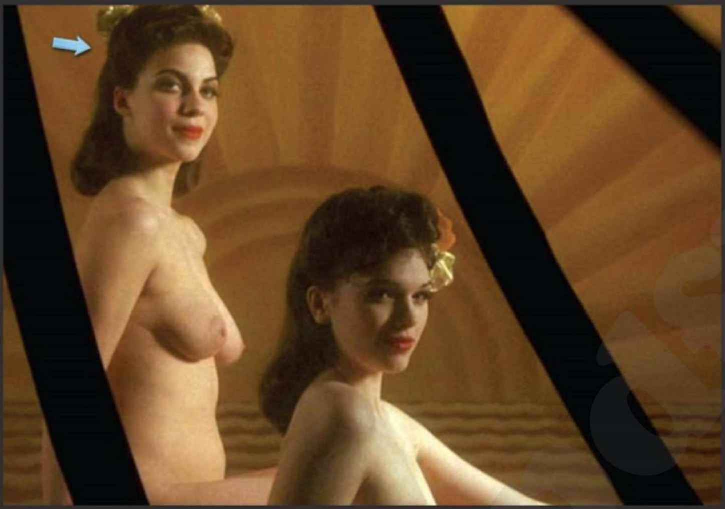
Natalia
TENA

Yep, she's in *Game Of Thrones* (she plays Osha), but these pictures aren't! It's nice to know that Natalia gets nude in most of her work, stripping off in 2005's *Afterlife* and in the same year's *Mrs Henderson Presents* about the Windmill Club in Soho. In fact, we'd bet a Tena we'll see her wildlings again soon!



Li love you LONG TIME!

The Initiation Of Alina Li

Starring
Alina Li, Samantha Bentley, Casey Calvert, August Ames, Cameron Dee,
Tommy Gunn, Danny Mountain, Mr Pete

Directed By
Gazzman

Available From
Harmony

Often an on-set visit to a film made by a British company involves a tortuous tube journey to a warehouse in Acton or a taxi to some abandoned loft in the East End. For Harmony's latest showcase… a flight to Vegas. Now, this is more like it!

Alina Li is a new one on us, a slender Asian star in the making who is the latest babe to be initiated by Gazzman and an international cast. He's brought Sam Bentley out with him, but the rest of the cast is made up of rising American stars like Casey Calvert and the gorgeous August Ames.

Adult Sport walks around gawping like a damn fool, but still manages to make enough notes to tell you that while Alina and August sharing a double-ended dildo is all well and good, it doesn't really compare to a ringside seat as the innocent-looking but utterly filthy Casey gets a hard double dicking. That's the highlight, but it's pushed close by a foursome where one fortunate stud gets to put the pipe to Casey, Alina and Sam. To be frank, Alina could do with learning some of the tricks that those babes display – she's a little vanilla next to their sexual firestorms. But then again, this is the start of her career, and this initiation may just set her on the right path!

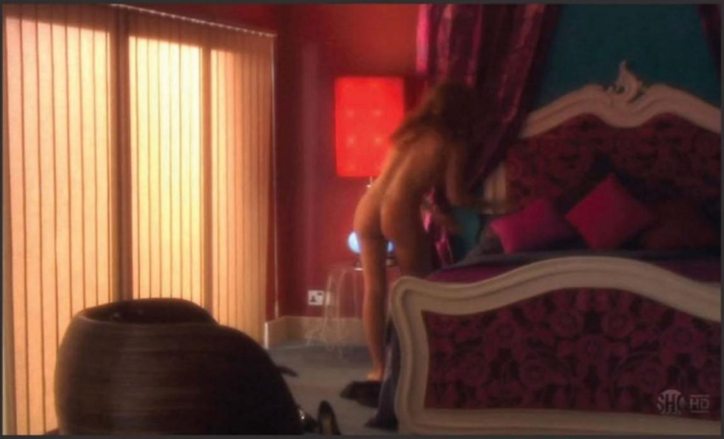
Billie PIPER

A lot of Billie Piper's nudity in *Secret Diary of a Call Girl* was of the body double variety, largely due to a pregnancy during filming. But she gave us some peeks at the real stuff, and she's ended the drought with some bum and boob in new series *Penny Dreadful*. She plays Brona – and certain gives us a boner!



Tina, Aiden, Nikita

Mags.net

We all dream about a threesome with two horny girls, but a foursome with three? That might be beyond even our powers. Best to let them get on with it, and it seems like Tina, Aiden and Nikita know how to entertain themselves. In fact, once they get started, we're not sure they'd even let us join in...
